BPH Corporate to Engage in Melanoma Drug Discovery Program

Monday July 26, 2010, 12:01 pm

Original Announcement: [BPH To Engage In Melanoma Drug Discovery Program](#)

BPH Corporate announced that Principal Researcher Dr Robin Scaife has been awarded funding from the Scott Kirkbride Melanoma Research Centre (SKMRC) to spearhead a melanoma drug discovery programme at the WA Institute for Medical Research. The SKMRC supports research that is aimed at providing crucial breakthroughs for improved diagnosis and treatment of melanomas and was established in 2005 in memory of Perth golfer, Scott Kirkbride, who lost his battle with this disease in 2004 at the age of 27.
